10th International Scientific Conference on

„Investing in Europe: Current situation and Perspectives”

November, 8th, 2016
Faculty of Economics, UMB, Banská Bystrica

The conference “Investing in Europe: Current Situation and Perspectives” is held under the auspices of the Slovak Presidency of the Council of the European Union.
The aim of the conference:

The international scientific conference "Investing in Europe: Current Situation and Perspectives" is a continuation of a regular series of conferences that have traditionally been organized by the Faculty of Economics, Matej Bel University Banska Bystrica and the European Commission Representation in Slovakia in cooperation with partners. The conference goal is to support professional and academic debate (i) on issues of investment priorities of the European Union with an impact on economic growth, the development of regions and countries and (ii) on the creation of the business environment for innovation in the public and private sectors.

Working group sessions:

A: Investing in Europe

B: Investment and innovation support in the private and public sectors

The organizing body reserves the right to decide about inclusion of the contribution to the conference and to conference proceedings.

Participants are requested to keep to the theme of the conference.
