

INTERNSHIP- WEB DESIGNER AND DEVELOPER

We are glad to announce **the opening of a 6-month-long internship (Extendable upto 12 months on agreement)** in the position of **Web Designer and Developer**. We are looking for a creative and motivated student or graduate, who will be continuing the implementation of the IT part of the company.

Main responsibilities:

- ✓ Website development
- ✓ Come up with new ideas and concepts for creating web presence of the clients
- ✓ User Experience

Qualifications:

- ✓ UX Specialist
- ✓ Fluent in English
- ✓ Solid understanding of marketing principles, social media & networking and excellent copywriting skills
- ✓ Must exhibit a strong willingness to learn and absorb new information; comfortable with multi-tasking
- ✓ Communicative, creative, motivated, result-orientated and self-driven person

If you are ready to set it out, feel free to submit your application by sending us your **updated CV** and **cover letter**. We get back to you shortly with the next steps of the recruitment process.

NOTE: We recommend combining the internship with programs such as Erasmus Student Placement or Leonardo da Vinci European Program.
