

CONTENTS

1. INTRODUCTION TO ECONOMICS	7
1.1. Characteristics of Economics	7
1.2. Scientific Methods in Economics	9
1.3. How to Read Graphs?	11
1.4. Inputs, Outputs and the Production Possibility Frontier	14
2. HISTORY OF ECONOMIC THINKING	19
2.1. Prehistory of Economics	19
2.2. Classical Economics	20
2.3. Neoclassical Economics	21
2.4. Keynesian Economics	22
2.5. Neoconservative Theories	23
3. MARKET AND THE MARKET MECHANISM	25
3.1. Market Characteristics	25
3.2. Competition, Market Price and Market Imperfections	28
3.3. Demand and Supply	31
3.4. Price Elasticity of Demand and Supply	40
4. THE MARKET AND CONSUMER BEHAVIOUR	45
4.1. Cardinalist Theory	45
4.2. Ordinalist Theory	49
4.3. The Individual Demand Curve	52
5. FIRM AND THE PRODUCTION THEORY	56
5.1. Firm and Its Functions	56
5.2. Production Theory and Complementary Production Function	58
5.3. Substitution Production Function and Returns to Scale	62
5.4. Technological Progress	70
6. COSTS, REVENUES AND PROFIT	74
6.1. Analysis of Costs	74
6.2. Costs in the Short-Run	75
6.3. Costs in the Long-Run	78
6.4. Revenues and Profit	81
7. FIRMS UNDER PERFECT COMPETITION	89
7.1. Profit Maximizing under Perfect Competition	89
7.2. Loss and Shutdown Condition	92
7.3. Firm's Long-Run Equilibrium	95
8. FIRMS UNDER IMPERFECT COMPETITION	99
8.1. Profit Maximizing under Monopoly	100
8.2. Oligopoly	106
8.3. Short-Run and Long-Run Monopolistic Competition	109
8.4. Imperfect Competition and Government Interventions	111

9. FACTORS OF PRODUCTION AND ITS PRICING.....	114
9.1. Market of Factors of Production and Its Specialties.....	114
9.2. Pricing of Factors of Production.....	116
10. LABOUR MARKET	121
10.1. Characteristics of Labour Market.....	121
10.2. Labour Market under Perfect Competition.....	122
10.3. Labour Market under Imperfect Competition.....	125
10.4. Government and Trade Unions in the Labour Market	126
11. MARKET FOR CAPITAL AND LAND.....	131
11.1. Real Capital Market	131
11.2. Financial Capital Market.....	134
11.3. Market for Land	136
12. INCOME REDISTRIBUTION.....	142
12.1. Types and Characteristics of Incomes	142
12.2. Inequality in Incomes Distribution.....	143
12.3. Poverty and Income Redistribution	147
12.4. Wealth and Quality of Life	150
Abbreviations	152
References.....	154
Summary.....	158
