

# INTERNATIONAL GUEST LECTURE

**Dr. hab. Andrzej Hadzik**  
**Higher School of Banking**  
**in Poznan, Poland**

## HEALTH TOURISM

THE CONCEPT, FORM, SCOPE AND CONDITION OF ITS DEVELOPMENT

20. 02. 2017, 15:25 – 16:45, T10 P5

## PERSPECTIVES OF DEVELOPMENT OF SPORT TOURISM

21. 02. 2017, 9:05 – 10:25, T10 P219

Andrzej Hadzik completed three programmes of studies: economics, physical education and physiotherapy. He has a PhD in economics. Since 2009 he has chaired the Tourism and Recreation Department in the Faculty of Sport and Tourism Management at the University of Physical Education in Katowice. He also works at the Higher School of Banking in Poznan in the direction of Tourism and Recreation. His research interests revolve around health tourism, particularly in health resorts, and he has published many articles in this area. Andrzej Hadzik is also researching sport tourism and currently focuses on international sport events.
