The topic of the Conference:

The international scientific conference "The EU budget for the period 2014-2020 in the context of the Europe 2020 strategy" is a continuation of regular conferences that have traditionally been organized by Faculty of Economics Matej Bel University Banská Bystrica and the European Commission Representation in Slovakia in cooperation with partners. The conference goal is to support professional and academic debate on the topics of creating and implementing the fiscal policy of the European Union and its development for the period 2014-2020 as well as on the creation of a creative environment for the implementation of innovative policies in the public and private sectors in the context of the Europe 2020 strategy.

Working group sessions:

- A: Europe in crisis and the development of European public finances for the next period
- B: The importance of innovation in the context of the Europe 2020 strategy

Part of the afternoon program will be dedicated to an event called Innovation Policy of autonomous regions in V4. The participants are invited directly by the Banská Bystrica Self-Governing Region Office in collaboration with the Fund of Social Development BBSK.

Conference Organizer reserves the right to include the contribution to the conference schedule and to the conference proceeding. Participants are therefore requested to keep their contributions relevant to the themes of the conference.
