## Topics

### 1. Labour market in the era of innovation

- 1) Innovative forms of employment
- 2) Employment and unemployment
- 3) Demographic and other social determinants of labour market
- 4) Impact of the EU funds on Labour market
- 5) Modern labour market policy
- 6) Regional competitiveness and labour market

### 2. Insurance in the era of innovation

- 1) Agricultural production insurance and its perspectives
- 2) Property insurance
- 3) Modern life insurance
- 4) Social and health insurance
- 5) Insurance marketing

We invite researchers from scientific and educational institutions, as well as directors, managers and specialists in management from companies, enterprises and organizations of any industry and form of property to take part in this conference. We would like to discuss about main problems of contemporary labour market and insurance challenges in the era of innovation.
