Public Administration Education Quality Enhancement September 1, 2018 – August 31, 2021

Main objective: Innovation

Priorities: The project aims to support changes in the area of public administration education in conformity with Bologna objectives, mainly:

- Promotion of European co-operation in quality assurance with a view to developing comparable criteria and methodologies;
- Promotion of the necessary European dimensions in higher education, particularly with regard to curricular development, inter-institutional co-operation, mobility schemes and integrated programmes of study, training and research;
- In addition, the project aims at tackling skills gaps and mismatches in the area of public administration higher education through designing and developing curricula that meet the learning needs of students and which are relevant to the labour market and societal needs, including through better use of open and on-line, work-based, multi-disciplinary learning and new quality assessment criteria.
