## Banská Bystrica Workshop - Transfer Pricing in V4 Countries

### Problematic aspects of transfer pricing regulation and other challenges in transfer pricing issues

We invite you to participate in the workshop focused on one of the current hottest issues in taxation – transfer pricing.

#### WORKSHOP OBJECTIVE

The workshop objective is, as the subtitle itself suggests, to offer the opportunity to share views, knowledge, research results and best practices related (not solely) to problematic aspects in transfer pricing legal regulation in V4 countries and their solutions.

#### DATE AND PLACE

The workshop will take place on 06 November 2019 at the Matej Bel University, Faculty of Economics in Banská Bystrica (Slovakia). Other details (time schedule, etc.) will be published later on the project webpages ([www.transferpricing-V4.net](http://www.transferpricing-V4.net)).

#### FORMS OF YOUR PARTICIPATION

You can participate with or without a presentation. The presentation (max. 15 minutes) should be focused (not solely) on by you chosen problematic aspect(s) in transfer pricing and sharing your views on the problem and its possible solutions. Within this workshop we prefer presentations of more specific (concrete) topics to general ones.

#### REGISTRATION

##### No fee

The workshop is realized with the support of the Visegrad Fund within the implementation of the Visegrad Fund Project No. 21830038 titled “Transfer Pricing in V4 Countries”. So there is no registration fee. However, you will have to make your own arrangements for travel and potential accommodation.

##### Registration date

You can register by 30 September 2019 at the latest.

##### Contact persons

In case you (and your colleagues) would like to participate, please contact the person as stated in the table below together with the specification of the type of your participation and a proposal of the topic of the presentation.
